QUALITY & EXPERTISE

The product team have been passionately designing and developing a wide range of beautiful objects since 1983. Our main goal is to provide our clients versatile solutions that can fit their needs and desires.

Our way of thinking is boosted by a clear mindset of putting quality and all our expertise in the heart of everything we design and produce, powered by the latest techniques and tools, all to align our own perfectionism with a client's vision.

OUR KNOW-HOW, YOUR CONFORT

From the finest fabrics to the richest woods, we connect materials and textures to successfully achieve the ultimate comfort. After all, we have the expertise, but the design & comfort will be yours.

Truly yours.

Engaging the senses, provoking emotions. Our design process focuses on the detail, the texture, deeply into the subconscious so that we can deliver unique moments.

THE FINEST TEXTURES

We carefully select the very best textures to suit the client's vision and to achieve the ultimate look and feel.

SUSTAINABILITY

Our pioneering work with the best names of Portuguese Design is based on combining timeless, modern aesthetics with durable construction and good materials. With the ultimate goal of creating furniture that becomes more beautiful with age, intended to be passed down from one generation to the next.

These core values are rooted in our sense of responsibility, seen in our use of natural materials, our ethical methods of production and our respect for the people using our furniture every day.

05

68

We create essential pieces that can enhance all your hospitality projects. Follow us into the trends of the new times.”

All our pieces are carefully crafted with antique Portuguese love and soul. We take in consideration and ensure the quality of our materials to give the customer premium pieces, imbued with a more and more well recognized Portuguese savoir-faire.

From Portugal to the world.

Monza

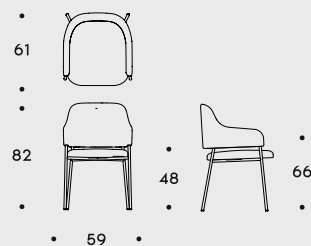

M379ARMCHAIR

The Monza Armchair reinterprets the '50s style with soft and graceful shapes. The metal frame structure supports the rounded and enveloping chair seat and backrest with elegance and lightness. Comfortable and elegant, this model is suited to people who cherish sobriety and the charm of classical materials. The clean lines and minimal form that make the Monza family so iconic.

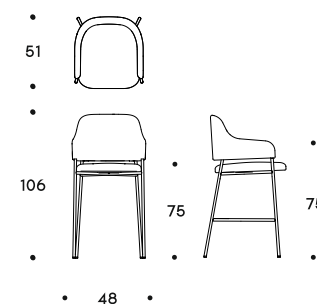

Yes, it's stackable.

M379MONZAARMCHAIR

Dimensions are represented in technical data in centimeters

M380MONZABARSTOOL

Dimensions are represented in technical data in centimeters

M380BARSTOOL

With its graceful look and curved beauty, the Monza Barstool will make everyone fall in love in any space all over again. This modern Barstool model mixes curves and character with sublime comfort and a sturdy base.

Character, attitude and versatility united in a beautiful design expression. The Monza Barstool distinctively combines creased lines, soft shapes and emphasised edges to ensure a comfortable and beautiful expression in your dining or working area.

Sidney

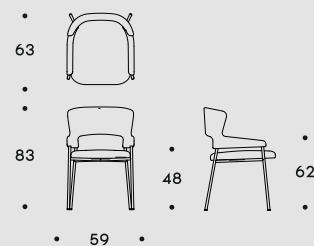

The inspiration lies in an interplay between soft and solid materials. The metal structure is pressed into the soft, supportive back cushion, creating an intriguing image which is similar to pushing the two elements into each other. Visualizing both structure and comfort at the same time, the structure support cradles the backrest, and in turn the chair cradles the user.

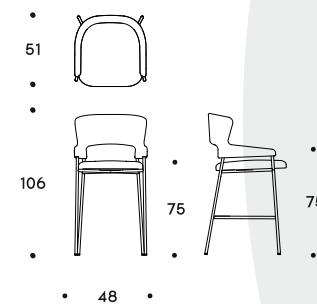

Yes, it's stackable.

M381SIDNEYARMCHAIR

Dimensions are represented in technical data in centimeters

M382SIDNEYBARSTOOL

Dimensions are represented in technical data in centimeters

Lightness redefined. Sidney is a simple and elegant family of armchair and barstool with an upholstered seat and back, supported by a graphic metal frame. Highly comfortable, Sidney fits perfectly around a dining table, at a restaurant or a meeting setting at the office.

Composed of minimal elements, The Sidney Barstool exudes lightness and a timeless expression. In addition, the duality of upholstery and frame accommodates a wide variety of interior styles, and makes available a wide range of upholstery and powder coating options.

All in, Sidney's perfectly for personalization.

Viena

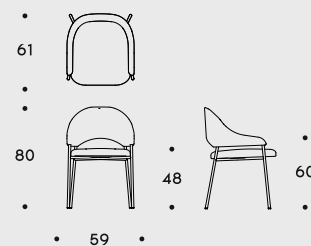

Enveloping, light and comfortable, the Viena Armchair was created following an innovative processes which minimizes environmental impact.

Harmony of shapes, ergonomics and elegance are the characteristics of the Viena Armchair. The seat and the curved backrest are supported by a light steel structure.

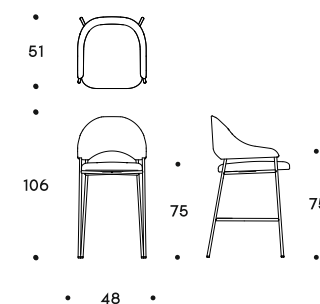

Yes, it's stackable.

M383 VIENA ARMCHAIR

Dimensions are represented in technical data in centimeters

M384 VIENA BARSTOOL

Dimensions are represented in technical data in centimeters

The Viena Barstool adds a new element to any public space, fitting harmoniously into a collection that evokes classic forms, while staying true to its nature, seemingly treading the line between tradition and innovation.

The comfort of the upholstered shell matches with steel rod sled frame on that iconic and modern model.

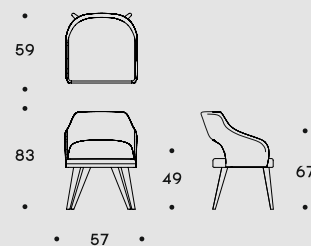

Turim

The Turim Armchair model epitomizes the essence of contemporary design and the memory of tradition, finding perfect balance in a futuristic orientation that springs from the seeds of inherent know-how.

The Turim Armchair combines a distinctive design with an ergonomic back, ensuring a great choice to include in numerous dining areas. Its silhouette and fine materials makes this model one of a kind.

M329TURIMARMCHAIR

Maintenance

Always use a microfiber cloth and rub lightly. Never apply any solvents.

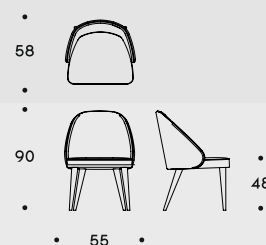

Slim

With the fluid line of its shapes and the equilibrium of its soft volumes, the Slim family explores different types of seating, offering innovative solutions that push out the traditional style boundaries.

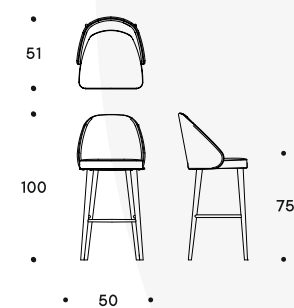

The many different finishing options, with its interesting range of alternating depths, mean it is perfect for creating both small, intimate spaces, as well as arrangements featuring several elements, all fit to occupy larger spaces with grace.

M330SLIMARMCHAIR

Dimensions are represented in technical data in centimeters

M336SLIMBARSTOOL

Dimensions are represented in technical data in centimeters

With its natural elegance, Slim is ideal for residential interiors, but also reveals a strong vocation for the hospitality sector, thanks to its versatile modularity.

The Slim chair is one of latest additions to brands collection, with a sleek and slim back hence the name. This model emerges as a great option, with or without caps, to a variety of projects.

Dallas

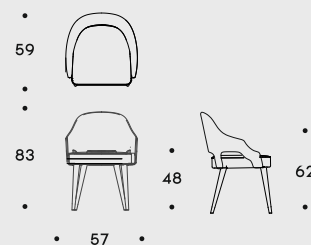

M387ARMCHAIR

The shape of the Dallas Armchair is like a blooming flower, equally pleasing to view from any angle. As well the sculptural qualities of the design, the main feature is the way the legs rise up between the upholstered parts in a distinct fashion. This allows the possibility to play with fabrics in combination with the leg frame.

Soft, rather rounded and inviting.

The Dallas dining and meeting armchair stands out with its armrests and is very comfortable. That special model is also available as a barstool.

M329 ARMCHAIR

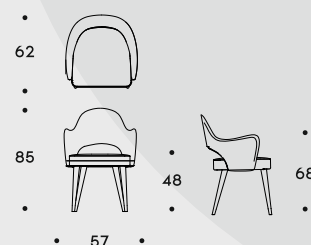

Praga

Beautiful forms characterize the Praga Armchair, a further expression of the company's aesthetic research combining tradition with innovation. Solid wood is juxtaposed with upholstery in this product, recalling the classic lines of the usability wood.

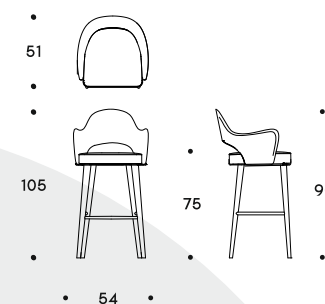

A refined, minimalist base made using the innovative and secure wood technique supports the rounded and enveloping lines of the padded seat, which is outlined by curved, sophisticated profiles that confer charm and modernity on the seat.

M331PRAGAARMCHAIR

Dimensions are represented in technical data in centimeters

M335PRAGABARSTOOL

Dimensions are represented in technical data in centimeters

Praga family models are extremely versatile and, thanks to its delicate and light elegance, it is able to adapt to domestic and public environments.

The Praga Barstool sleek curves, combined with a contemporary aesthetics, make it the perfect addition to any refined dining space.

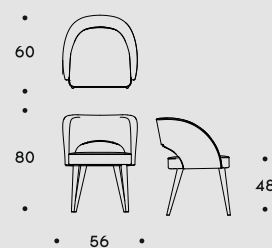

Supra

The supreme comfort of a seat from yesteryear refreshed with an extremely modern slant. Supra is based on a superb contrast between taut lines and yielding silhouettes, between minimalist stylishness and mid-century chic.

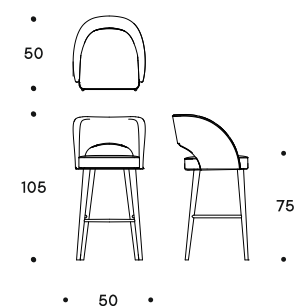

The Supra Armchair has a sumptuously soft seat and artisanal detailing on the backrest, boosting comfort levels and elevating the aesthetic impact of this piece.

M332SUPRACHAIR

Dimensions are represented in technical data in centimeters

M337SUPRABARSTOOL

Dimensions are represented in technical data in centimeters

Elegance and comfort beautifully combine in the Supra Barstool. The visual appeal of the bar stool invites you to explore how every curve adds both comfort and looks.

Supra family offers a comfortable sit and groovy design that works great in both modern and traditional inspired interiors. Choosing from a variety of upholstery options available the user can integrate and elevate any decor.

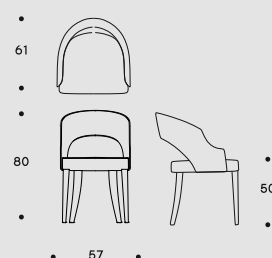

Siena

This seemingly naive and seductive model is irresistibly, comfortable and specially stylish, adorned with pipping details.

The squared tapered and splayed back legs give the Siena Chair a lounge feel and strikes a balance between bold the exquisite legacy of handcrafted upholstery with a contemporary lightness, making it the consummate must-have. Taking its inspiration from a classic wingback chair, it subverts its traditional design. Pure bliss.
