CHIROGEL

- Luxurious stretch cover with unique EQ Fibres help maintain the optimum body temperature for quality sleep
- ChiroGel contours and cushions the body for a greater level of comfort, relieving body pressure and optimising blood circulation
- ChiroGel has a perfect cell structure for optimum breathability and humidity, keeping you cooler for longer to experience a deeper, more restful sleep
- ChiroGel is manufactured with ecological and environmental principles and contains sustainable natural raw materials including soybean oil and a refreshing balm that helps cools the skin
- Highgrove's New Generation EcoAdvantEdge Pocket Spring System provides total body support across the entire sleep surface to ensure correct spinal alignment and further enhance sleep quality
- Designed as a no-turn mattress - please regularly rotate 180° to extend mattress life and performance

EcoAdvantEdge® collection

COPPERSLEEP

- Luxurious stretch cover incorporates woven copper to create a cool, clean, and healthy sleeping environment.
- The copper within the deep memory comfort layer adds another level of support to your mattress. When the copper particles are compressed it results in a firming response ensuring more support where body weight is concentrated i.e. hips and shoulders.
- Highgrove CopperSleep technology is also designed to help relieve sore and swollen joints and reduce inflammation.
- CopperSleep is anti-microbial and has anti-bacterial properties preventing odours from developing and keeping your mattress clean.
- Highgrove's New Generation EcoAdvantedge Pocket Spring System provides total body support across the entire sleep surface to ensure correct spinal alignment and further enhance sleep quality.
- Designed as a no-turn mattress - please regularly rotate 180° to extend mattress life and performance

TANDEM

Guest Bed Collection

Choice of two comfort options

Option 1

- Luxury soft as silk breathable stretch cover
- Generous upholstery layers combine with a Bonnell fully sprung mattress to ensure medium-firm surface comfort and proper underlying support
- Spring unit is side reinforced to prevent edge breakdown and widen the total sleeping area
- Sleep both sides to maximise mattress life and performance

Option 2

- Luxury Micro quilted Pocket mattress with breathable stretch cover
- Comfort layers combine with German engineered Pocket spring unit to provide unrivalled and long lasting , comfort and support
- Sleep both sides to maximise mattress life and performance

Comfort Control Collection

UPTON

- Luxury breathable stretch fabric cover
- Engineered adaptive deep RX Foam core specifically designed for Comfort Control
- High performance foam provides long lasting comfort, moulding perfectly to the sleepers body
- Single-sided mattress construction so that you don't need to turn – regularly rotate 180° to maximise mattress comfort

Comfort Control Collection

BURTON MEMORY

- Luxury breathable stretch fabric cover
- Highgrove's Advanced Memory technology responds to body pressure, improving blood flow and thereby reducing aches and pains
- Additional underlying support is provided by the engineered deep memory and RX Foam core, specifically designed for Comfort Control
- Single-sided mattress construction so that you don't need to turn – regularly rotate 180° to maximise mattress comfort

Comfort Control Collection

WILTON GENTLE COMFORT

- Luxury hand- tufted and breathable stretch fabric cover
- Sumptuous surface upholstery includes a rich mix of Wool, Cotton, Silk and Cashmere creates a softer surface feel
- Highgrove 1000 Pocket spring system (150cm size) provides total body support and correct spinal alignment
- Single-sided mattress construction so that you don't need to turn – regularly rotate 180° to maximise mattress comfort
