From plush sofas to elegant timber dining furniture every item in our collection tells a story of craftsmanship and attention to detail.

Our product team has travelled extensively this year, collaborating with suppliers and designers to bring you furniture that's both beautiful and functional. We're proud of the relationships we've built with our suppliers, and this collection is a testament to those partnerships. Each piece reflects our commitment to quality and sustainability.

We invite you to explore our latest collection and find pieces that resonate with your clients style. Whether you're looking to make a statement in store or simply refresh your space, Vida Living has the perfect solution.
