Royal Embrace

Luxurious 100% viscose damask cover

14" mattress is tufted by hand using pure woollen tufts for added luxury and stability

The finest mattress upholstery includes opulent surface comfort layers of 100% pure British Wool, Super Soft luxury Pad for that sink in feeling, and a rich mix of cashmere, silk and cotton for unsurpassed comfort

100% British Wool comfort layers help control your body temperature, keeping you cool in summer, warm in winter, and disperse moisture naturally

The luxury engineered spring system features individually encased pocket springs in a 3-tier construction - a centre core with an additional 2 x 1000 2" support units on each side to further enhance surface comfort. The combined unit adjusts to your body contours providing anatomically correct support with no 'roll together'

The mattress spring unit has enhanced strengthened edge support to ensure total comfort across the entire sleep area, including a hand, side-stitched border

Sleep both sides – please turn regularly to maximise performance
